○ Some of whom, like the Islamic Society of North America, espouse gun control		
○ All of whom support shariah – a supremacist program that:		
▪ justifies the destruction of Christian churches and parishioners		
▪ the murder of Jews, apostates, homosexuals and women who “dishonor” their families (by wearing make-up and “immodest” dress like bluejeans, dating non-Muslims, etc.) and		
▪ the replacement of our constitutional republic, which safeguards civil liberties and freedom, with a theocratic Islamic caliphate governing according to shariah, <i>which abhors both</i> .		

GROVER NORQUIST AND SUHAIL KHAN THINK THESE ARE CONSERVATIVE VALUES. IF YOU DON'T AGREE, HELP PRESERVE THE REAGAN CONSERVATIVE COALITION. TO FIND OUT MORE, JOIN US AND HELP TAKE BACK THE MOVEMENT.
